As freshmen we were boistrous and loud
High Schoolers, man-were we ever proud.

Sophomore year, not quite so sure and bold
High school-gee, this stuff is getting old.

We're great, we're fine, as Juniors we were cool
Don't sweat it babe-only one more year of school

Seniors now, and we still think we're great
But when we face the world-how are we gonna rate?

School Crest

To honor our school, industry and heritage, Elma High School drew up a crest. The crest is divided into three main parts, symbolising our community. An open book resting near a quilled pen portrays the influence of our school and students, lofty fir trees represents our town's industrial backbone, while a powder horn hung on an ax reminds us of the hardy pioneers and their brave fight to tame this wilderness. The entire crest is protectively wrapped in the wings of a mighty eagle.

The Student Council is the governmental part of our Student Body. This year under the leadership of our officers they have started work towards a student lounge. They also are working on developing a school crest. We would like to thank them for bringing the students and administration closer together this year.

Mr. Taylor is just finishing his first year at Elma High School. He was a graduate of Hoquiam High School and then went on to Central College. He was the principal of White Pass High School before coming to Elma. We would like to thank him for all the things that he has done for the students this year.

Dear Cheryl:

To one of the neatest and cutest
girls in the senior class. I've
really enjoyed knowing you because
you are the only girl that I know
that never has a hair out of place
or a speck of dust on your body.

Hope to see you around this
summer if you around.

Be good and stay as
nice as you can because
you don't look very good
when you drink too much.

Love

William
